# Our School Uniform

## What have we done?

We listened to our friends and noticed a problem!

We wanted a uniform that was comfortable in the summer, smart throughout the year and fair for boys and girls.

Jack wrote a letter to Mrs Kennedy and she called a school council meeting.

We told her what we wanted and why. She listened and asked us to do a survey with our friends.

We then wrote new uniform rules and made this brochure to help explain it to parents and children.

We had to ask the Governors what they thought too!

They said they loved it and they loved that we had used our voice respectfully!

We are proud to be part of the Cambridge and wear the Cambridge uniform. It is comfortable and smart and equal. We all think it is important that people wear what they are comfortable in, so if boys want to wear dresses and girls want to wear shorts – that is okay with us! We are one purple team!

We hope this booklet helps!
