# THE CAMBRIDGE PRIMARY SCHOOL

New school opened September 2018

## WELCOME

Thank you for taking the time to find out more about the Cambridge Primary School. We strive to provide for your child the best education possible in an excellent learning environment. Our vision and values are growing as the school grows and reflects those within the community. The Cambridge Primary School is a safe, happy, respectful environment, which aims to combine the life experiences and values of our children and families with the school culture. To achieve this inclusive environment, we respect and value the differences and diversity within our community.

We aim to help children develop their own identity, and create a sense of belonging in an environment which supports their development and prepares them for their lifelong learning journey.

The Cambridge Primary School gives all pupils the opportunity to develop enquiring minds, building on their natural curiosity and confidence with an aim to create positive, respectful relationships which make them feel valued.

I would welcome the opportunity to meet with you and show you around our wonderful school.

Yours sincerely,

Sarah Kennedy

Head Teacher

## WE'RE AN EEEA ACADEMY

As part of the family of EEEA schools we are committed to the highest standards of learning. EEEA schools collaborate to ensure every pupil is given an amazing learning experience.

EEEA teachers are positive, passionate and pro-active. We believe that teaching and learning is a co-operative partnership with parents. We all believe in fostering the hopes and dreams of the children within our communities

# INSPIRING MINDS TOGETHER

## OUR SCHOOL

We are part of the exciting, new Wellesley development in Aldershot. The school has been designed by Hampshire County Council in partnership with the Engage Enrich Excel Academies (EEEA).

The school will eventually cater for 420 pupils with two classes in each year group. Whilst it will take time for the school to reach its full capacity, the children who have started at The Cambridge Primary School experience learning in one of the best school buildings in the country. The Cambridge Primary School will be a great school, serving a great community.

The vision for Wellesley is inspiring and the development's first school is a place where hopes and dreams are fostered, and families will feel a sense of belonging, purpose and drive.

## OUR FACILITIES

The school is a brand new, two-storey building, which revolves around a beautiful courtyard.

The designers have created a building that appreciates the natural surroundings and allows light to flow through, enhancing the children's learning experience. The school entrance leads into the library and, combined with the large hall, provides a great space for community use and gives a focal point for the development as it continues to evolve.

The school grounds are extensive and children benefit from a large sports field, a hard surface play area and a football pitch. In addition to these great resources, children in the Early Years environment have free flow access to a beautifully constructed playground, aimed at developing their academic, social and spiritual skills. They will be able to explore the world around them in a safe and stunning setting.

To enable to the children to understand the nature outside, there is a pond and habitat area. This is where science will come to life and teachers foster curiosity and help children to dream. For more information about our Early Years Provision and Curriculum, please see our Policies on the school website.

# NEW SCHOOL OPENED SEPTEMBER 2018

"The Cambridge Primary School gives all pupils the opportunity to develop enquiring minds, building on their natural curiosity and confidence with an aim to create positive, respectful relationships which make them feel valued." - Sarah Kennedy, Head Teacher

"Children attending The Cambridge Primary School will experience a range of opportunities that will foster their hopes and dreams and enable them to play a key part in their local community."  
- David Harris, EEEA

## ADMISSIONS

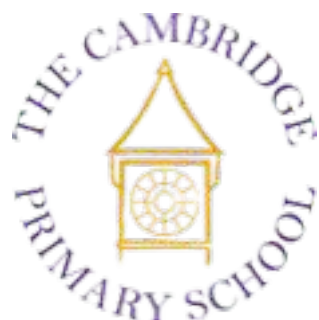

The Cambridge Primary School welcomed its inaugural class into Reception in September 2018. As the Wellesley neighbourhood continues to grow, we will continue to grow the school, adding Reception classes each year.

Places for the school will be highly sought after. Please see our Admissions Policy on our website for more information. To apply for Reception places in September, please visit:

[www.hants.gov.uk/educationandlearning/admissions](http://www.hants.gov.uk/educationandlearning/admissions)

Please keep an eye on our website for a Prospective Parents Information Evening in the Autumn term and dates when tours of the school will be available.

For any queries regarding admission, please email: [info@cambridgeschool.hants.sch.uk](mailto:info@cambridgeschool.hants.sch.uk)
