

## This week in Year 2

**Maths:** We have been comparing lengths and using our addition and subtraction skills for problem solving.

**English:** We have started looking at poetry, rhyme and patterns.

**Science:** We have started our new topic about Habitats. We have looked at vocabulary and explored different habitats.

### Home Learning

Please continue to read daily for 15 minutes.

**Maths:** Log onto TTRS

Length Word Problems

1. Building A is 25 meters tall. Building B is 38 meters tall. How much taller is building B than building A?

Length Word Problems

2. Becky's teddy bear is 18 inches long. Diane's teddy bear is 21 inches long. How much longer is Diane's doll?

Length Word Problems

3. Tom cut some ribbon for a project. He cut nine inches of red ribbon and seven inches of green ribbon. How much ribbon did he cut in all?

Length Word Problems

4. Jamie's pencil was seven inches long. After he sharpened the pencil, it was four inches long. How many inches shorter is the pencil now?

Demarcus is 50 inches tall. His little brother is 39 inches tall. How much taller is Demarcus than his brother?

Janine drove eight miles to the store, four miles to the library, and then 11 miles back home. How far did Janine drive?

**Maths:** We are starting to look at weight, measuring in grams and kilograms.

**English:** We will be starting a poem, 'The Sound Collector.'

**Topic:** We are looking at the local area.
