

Our Learning

Friday 28th January

This week in Year 2

Maths: We have finished about maths topic about mass and started learning about temperature.

English: We become Sound Collectors and composed our own poem based on 'The Sound Collector'

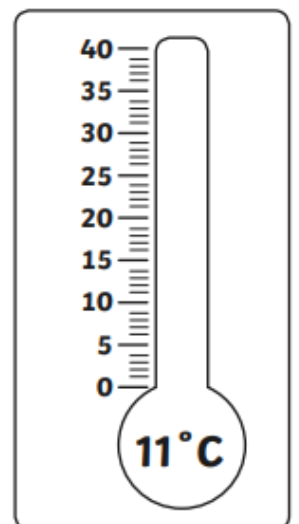

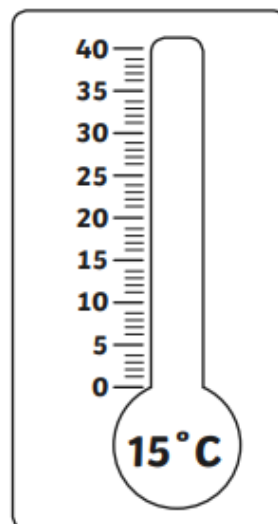

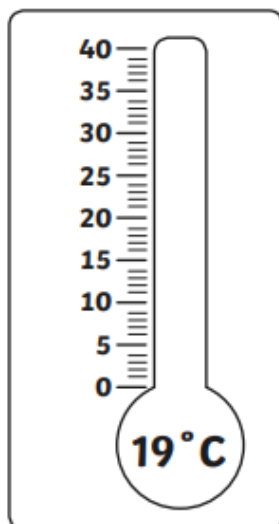

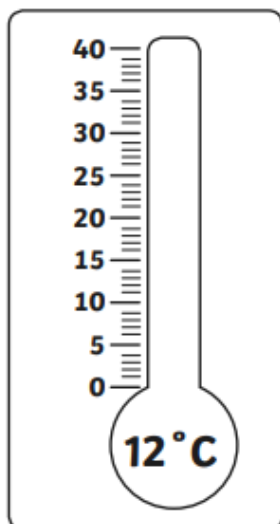

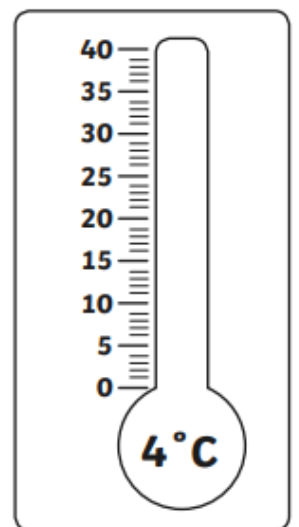

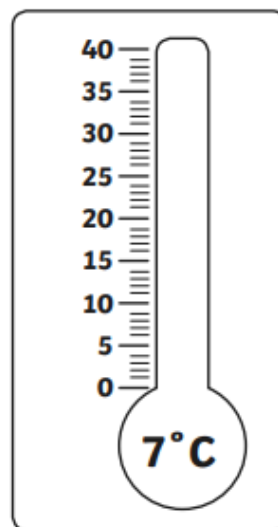

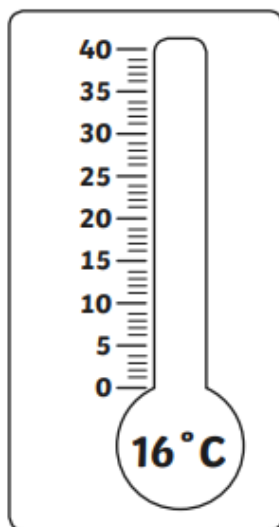

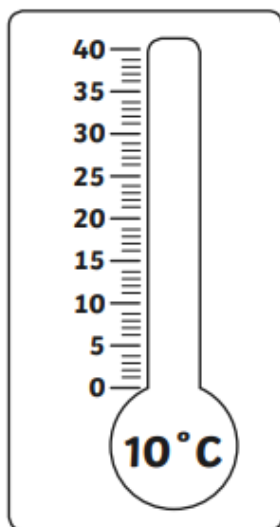

Science: We have been exploring different habitats, thinking about what animals live where and why.

Home Learning

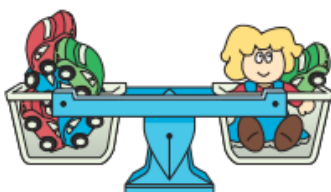

Please continue to read daily for 15 minutes. Ensure you record it in your child's reading record so they can take part in the reading challenge.

Maths:

1. Log onto TTRS

Look at these balance scales. There are five cars on one side. The doll weighs the same as how many cars?

LENGTH

Which line is longer?

Explain your reasoning.

	Monday	Tuesday	Wednesday	Thursday	Friday
Copier					
Copied					
Happier					
Happiest					
Cried					
Replied					
Tried					
Dried					
Funnier					
Plant					

Maths: We will be finishing our topic on temperature and a bit of problem solving.

English: We will be looking at a range of problems and then have to think of solutions.

Art: We will be sketching the clock tower from The Cambridge Hospital.
