

## RECEPTION

Autumn 2 - What happens when I fall asleep?

This term's learning focuses on day and night, we will discuss and learn about the solar system, nocturnal animals and people who help us at night.

### Communication, Literacy and Language

Children will:

- Focus on 3 key texts about night time and the solar system.
- Learn to discuss a topic using new vocabulary.
- Will listen, talk and respond to books recalling ideas and responding to questions.

### Maths

Children will:

- Represent numbers 1-10 using a ten frame. They will be introduced to addition using a 5 frame.
- Learn about lengths, heights, and capacity.
- Recap repeating patterns and 2D shapes.

### Literacy

Children will:

- Continue the Little Wandle phonics programme, learning Phase 2 and Phase 3 sounds.
- Listen, hear and write sounds in CVC words.
- Continue reading sessions, focusing on decoding and blending sounds.

### Understanding the world

Children will:

- Make observations and comments about their immediate environment using simple vocabulary.
- Observe similarities between the past and present.

### Personal, Social, Emotional Development

Children will:

- Know and explain the school rules and demonstrate these.
- Be confident in using the colour monster and identifying emotions.
- Continue to work on playing co-operatively and learn to demonstrate good learning and play behaviours.

### Computing

Children will:

- Continue to explore the interactive whiteboard to extend their learning.

### Religion and World Views

Children will:

- Begin to talk about own experiences.
- Recognise special times and events in own lives.

### Physical Education

Children will:

- Focus on dance

### Expressive Arts and Design

Children will:

- Continue to explore the role play area, props and materials.
- Experiment using instruments.
