COMMUNITY STORE FAQs

WONDERING HOW IT ALL WORKS?
WE'VE COVERED THE BASICS FOR YOU.

WHAT IS THE COMMUNITY STORE?

It's like a small shop but stock has been donated by local supermarkets, businesses and residents to prevent food waste. It's all in-date and good quality. You can pick up items to help make meals (including some fresh items) and we have household and personal hygiene products too.

DO I HAVE TO PAY?

If you are able to, please make a small donation to the project for your shopping. This helps us with overheads and to continue providing support to our community. You can give back in other ways too – by donating items you don't need or volunteering! Please ask one of our volunteers for more information.

HOW MUCH I CAN TAKE?

We ask all our visitors to only take what they need. If stock of certain items run low we might limit how many can be taken per person, but we will always try to help where we can.

DO I NEED A REFERRAL?

The store is open to all without the need for a referral – just drop in! All we ask is that you live in Rushmoor and allow us to take a few basic details to issue you with a loyalty number - one of our volunteers will talk you through the process on your first visit.

DO YOU OFFER ADVICE ABOUT OTHER ISSUES?

Our friendly volunteers will always offer you a warm welcome. They are trained to signpost visitors to a range of services who can offer specialist support.

From time to time we have other services and organisations on-site to offer broader support with things like finances and health - you can find out more about this when you visit or on our social media.

I'D LIKE TO HELP, WHAT CAN I DO?

We are always grateful for donations of items (unopened, in date and nothing chilled or frozen please!) or you can keep an eye out for items we are running low on via our social media. We also accept monetary donations either in-person at the Community Store or via online banking using the following details:

Account name - The Grub Hub

Account number - 67245484

Sortcode - 089299

WHERE IS THE COMMUNITY STORE?

You can find us in the old St.John's Ambulance building on Windsor Way, Aldershot, just past Holy Trinity Church and the play school. There is limited parking on-site but there are 1-hour stay bays on the road too. We kindly ask that visitors do not park in Holy Trinity's car park.
