Appointments:

We would like to emphasize the importance of minimising disruptions to the school day to ensure the best possible learning environment for all pupils. To achieve this, we kindly request that medical, dental and optician appointments be scheduled outside of school hours whenever possible. This will help to reduce the impact on your child's learning and classroom activities. Your cooperation in this matter is greatly appreciated, as it allows us to maintain a focused and productive educational environment. Thank you for your understanding and support.

Absences and Enquiries:

For your convenience and effective communication, we request that absences, general enquiries, and collection arrangements be communicated via email or telephone. This will help us streamline our communication processes and ensure that we can address your needs promptly and efficiently. Please use the following contact information: info@cambridgeschool.hants.sch.uk OR telephone **01252 314884**

Communications:

If you would like to speak with your child's class teacher regarding any concerns or queries, please do not hesitate to contact us via the emails listed below. We value open communication and are here to assist you with any questions you may have. Your involvement in your child's education is important to us.

Miss Nolan (Lower School Lead):

lowerschool@cambridgeschool.hants.sch.uk

Mrs May (Upper School Lead):

upperschool@cambridgeschool.hants.sch.uk

We want to assure you that we value your emails and inquiries. While we aim to respond promptly, please understand that due to our school commitments, it may take up to 5 school days for us to provide a response. Your patience is greatly appreciated.

Individual and Sibling Photos

A friendly reminder that on the day of our school photos if your child normally has PE scheduled, please **do not** send them to school in their PE kit. Instead, **all** pupils are required to wear their full school uniform, including their tie, jumper, or cardigan.

We appreciate your cooperation in ensuring that our school photos capture our pupils in their formal uniforms.
