

Our Learning

Week 3 commencing 18/09/22

This week in Year R

Phonics- We have begun learning the Phase 2 sounds.

Maths- We have been matching objects by colour, size, and type of object e.g animal, knife and fork.

Topic - We have been discussing 'The Colour Monster' and signs of Autumn.

English - We have read 'From Head to Toe' by Eric Carle, we listened carefully to the instructions in the story and copied the actions, then we worked together to create our own.

Dear parents and carers,

During this week, we have been continuing to embed rules and routines in the classroom; we have practiced our turn taking and tidying up skills. We have enjoyed learning our new sounds and been learning to match and sort objects in Maths. It has been great to see the children enjoying their family readers at home and reading all the wonderful comments in their diaries.

Our topic is evolving in to 'People Who Help us', we will begin discussing People Who Help Us at school and at home. Soon we will be discussing the local community such as teachers, nurses, fireman, policeman and other emergency services and key workers.

Our Year R hook day is on Monday 16th October, please can the children come dressed as someone related to this topic. We will be having a day full of fun activities and surprises!

Learning can be messy

Within Early Years messy play is part of our curriculum, please expect that occasionally children will come home and their uniform may not be as clean as when they arrived! We will try when possible to ensure sleeves are rolled up and aprons are worn.

Next week in Year R

Phonics - We will continue to learn Phase 2 sounds.

English - We will begin exploring the story 'Our class is a family'.
