

# Our Learning

Week 4 commencing 25/09/23

## This week in Year R

Phonics - We have continued to learn Phase 2 sounds.

English - We have started exploring the story 'Our class is a family' by Shannon Olsen.

Maths - We have been learning to compare and order by size, length and height.

Topic - We have been exploring People Who Help Us with a range of activities.

Dear parents and carers,

During this week, we have started to discuss People Who help us around the school and in the classroom, the children had a lot of fun going around the school meeting the different adults and discussing their jobs and how they help us.

The children have settled nicely into the school routine and are getting familiar with the structure of the day, they are showing enthusiasm towards their learning, we are seeing them further utilise these skills in their play.

Please continue to bring reading wallets to school each day as we will soon be starting our reading sessions. You should have all received your Collins logins and be able to access their first wordless book. Please record any reading done at home in their diary.

**Our Year R hook day is on Monday 16th October**, please can the children come dressed as someone related to this topic. We will be having a day full of fun activities and surprises!

### **Wednesday 4<sup>th</sup> October - Flu Nasal Vaccinations**

The nurses will be in to administer the childrens flu nasal vaccinations on Wednesday. You should have received a consent form and some information about this. Please speak to the school office if you did not receive a form.
