

Our Learning

Week 7 commencing 09.10.2023

This week in Year 3:

English: In English, we have innovated our model text and will be inventing our own narrative next week.

Maths: In Maths, we been using bar models to solve word problems.

Topic: In science we have been investigating how muscles help the body to move.

Year 3 Challenge

Answer to last week's challenge: time

I have a tail and a head, but no body. What am I?

Termly Spellings

In class each term, we have been focusing on some key spellings. These spellings come from the National Curriculum Statutory word-lists for years 3 and 4. Please revise these spellings with your child at home e.g. in the car, when cooking dinner etc... and practice putting these words into sentences.

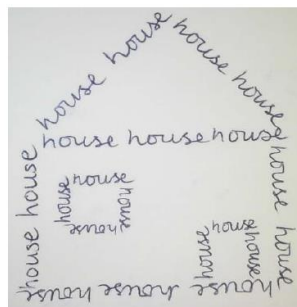

actual
arrive

learn
circle

group
often

heard
build

Optional activity: Can you write your words enough times to create a picture of what the words mean, for example....

Next week

English: Next week in English, we will be inventing our own narrative.

Maths: Next week in maths, we will be using bar models to solve word problems.

Topic: Next week in history, we will be exploring Stone Age Life on our trip.

Additional Notes or Information for the week

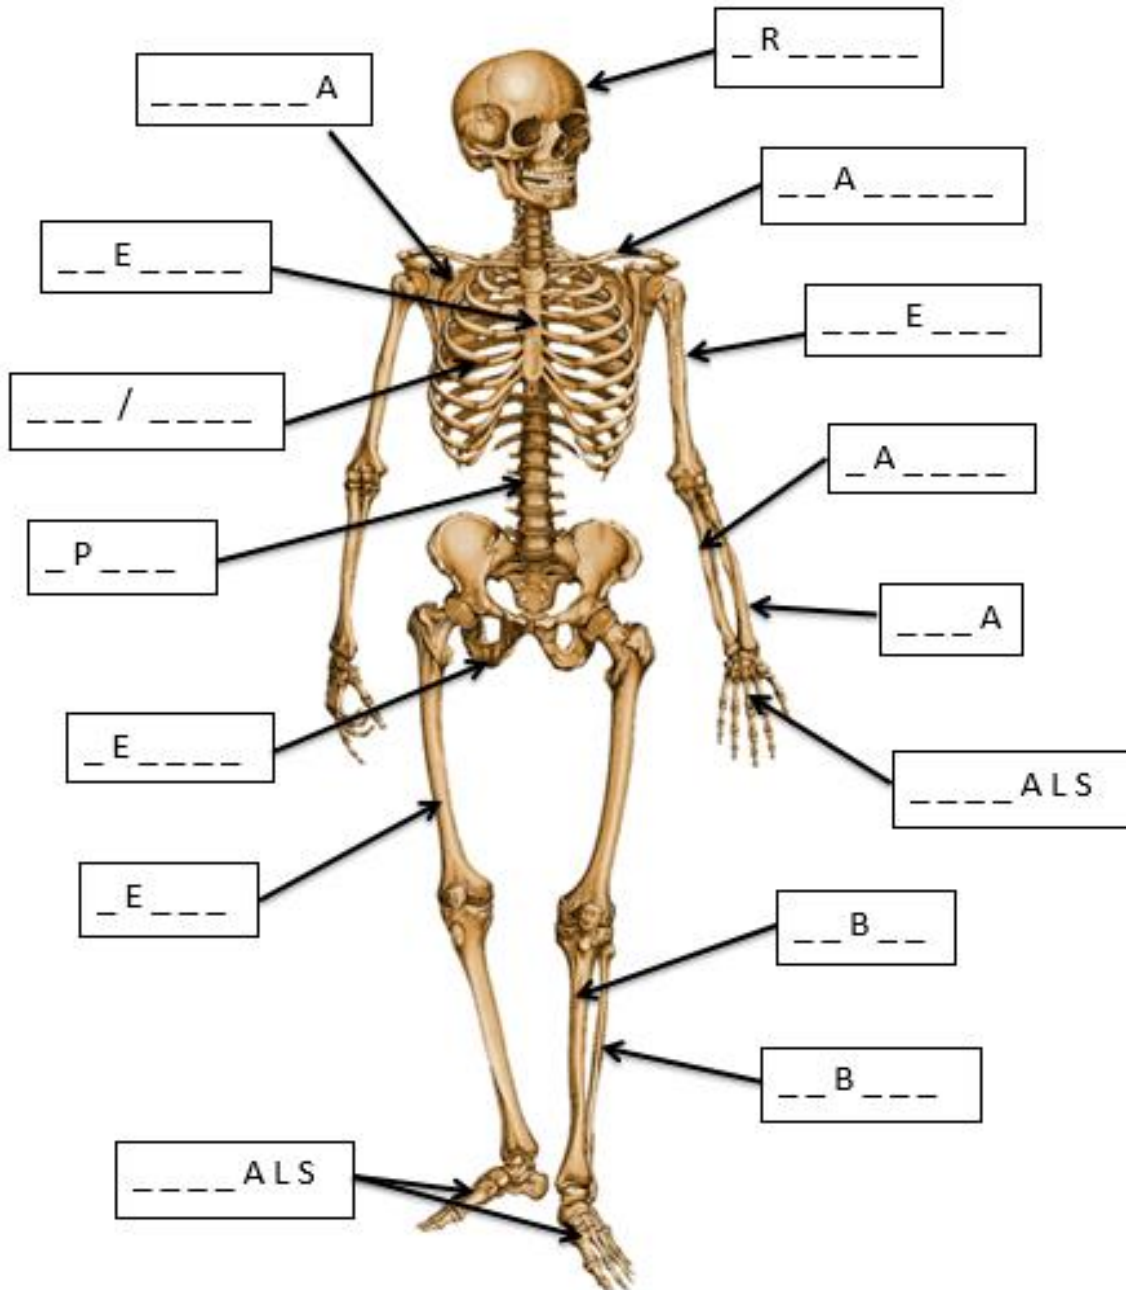

- Remember our hook day this term is our school trip to Butser Farm on 20th October. Children should wear home clothes that are ok to get a bit muddy.
- You should be regularly logging in to Times Table Rockstars to practise your timetables – in year 3 we focus on 3s, 4s and 8s. Listen to Hopscotch's timetable songs on YouTube to help.

Home Learning

This week's home learning task is due on: **Thursday 19th October**

If you do not bring your homework in, you will attend home learning club on Thursday lunch time.
