

Our Learning

Week 2 commencing 13/11/23

This week in Year R

Phonics - We have continued to learn Phase 2 sounds and tricky words.

English - We have explored our book 'Aliens love underpants'

Maths - We have looked at composition of numbers up to 5.

Topic - What happens when we fall asleep?

Dear parents and carers,

The children have loved our new focus book this week and have enjoyed exploring the characters and story line. We are continuing to work hard at recognising and blending our sounds, working towards becoming fluent readers. In Maths, we have consolidated numbers to 5 and it has been great to see the children's progress from the start of this topic. We will continue to match numerals to quantities and encourage children to bring their learning into context within their home environment.

Both classes are showing lots of excitement in our topic and had lots of fun creating wanted posters and going on an alien hunt, to rescue all our stolen underpants. As the weather is getting colder and wet play is becoming more likely, please can you ensure children are coming into schools with coats and wellies so that we can continue our learning adventures in the outside area.

Thank you for attending the Parents evening, we are so proud of the children's progression throughout the term and appreciate all your support and effort at home.

Week commencing 20/11

Phonics - We will be securing all Phase 2 sounds and tricky words.

English – We will be starting our new book, Whatever next.

Maths – We are going to be continue to learn all about the composition of numbers 1-5.
