

# Our Learning

Week 3 commencing 20/11/23

## This week in Year R

Phonics - We have continued to learn Phase 2 sounds and tricky words.

English - We have explored our book 'Whatever next'

Maths - We have looked at composition of numbers up to 5.

Topic - What happens when we fall asleep?

Dear parents and carers,

The children have loved our new focus book this week and have enjoyed exploring the characters and story line. We are continuing to work hard at recognising and blending our sounds, working towards becoming fluent readers. In Maths, we have consolidated numbers to 5 begin to subitise numbers. We have been using our five frames and using different strategies for counting and addition.

The children thoroughly enjoyed the Wonder Dome and learning lots of interesting and fun facts about space. The children asked fantastic questions about the planets and stars. We are continuing to focus on space next week and we are encouraging the children to do some research over the weekend and to come back on Monday with some fun facts to share with their peers.

## Week commencing 27/11

Phonics - We will be securing all Phase 2 sounds and tricky words.
