As our digital world becomes increasingly advanced, it is vital the children of The Cambridge Primary School know how to stay safe online whilst understanding the benefits of technology. To enable you to refresh and develop your understanding of online safety, our school website now contains some very useful parent guides which were created by National Online Safety. These guides can be accessed through the following link <https://www.cambridgeschool.hants.sch.uk/page/?title=Online+Safety&pid=1187> or this QR code.

We are seeing an increasing number of children not wearing a school tie. This is a gentle reminder that all children in year 1 should be wearing a gold and purple school tie.

The Singing Group

Practise reading these question words
before you answer the questions.

What Who How

Heather was in a singing group that was going to perform in a big contest. To get there, they had to go by coach.

Heather was the head of the group, so she drove the coach. Every so often she looked over her shoulder at her friends, who were so excited!

"Do you think we will win?" Yousef asked.
"I hope so!" Eleanor replied.

Just then, there was a loud bang!

"The coach has broken down!" shouted Heather.

Everyone got off to see what the problem was.

What group was Heather in?

How did they get to the contest?

Who drove the coach?

What happened to the coach?

Everyone stayed on the coach. True/false
