

Due: Thursday 14<sup>th</sup> March

**Science:** We have applied our knowledge of animals growing in different ways.

**Reading: daily 10 minutes**

Please listen to your child **read their phonic reader book every day** to help develop fluency, expression and comprehension. After listening to them read, **record** it in the Comments section in their reading record.

One is done for you.

$22 + 22 = \boxed{\phantom{00}}$

[illegible]

1 mark

$$\square + 8 = 12$$

○  
1 mark

**Important Dates:**

- 29<sup>th</sup> April – Chestnut Trip to Military Museum
- 1<sup>st</sup> May – Beech Class Trip to Military Museum
- 17<sup>th</sup> May – Hook Day – Up, up and away

**Geography:** We will look at the seas around the UK.

# A cowboy's job

Two hundred years ago in North America, a huge area of grass covered most of the land. Because people wanted to eat meat, they kept cows on this land.

Cowboys were needed to move the cattle from one place to another. This could take months, so the cowboys lived and worked together and became friends.

A group of cowboys

14

What covered most of the land in North America two hundred years ago?

---

15

What job did the cowboys do?

---

16

Why did cowboys become friends with each other?

---
