

Our Learning

Week 3 commencing 04.03.2024

This week in Year 4:

English- The children will be consolidating their learning in all areas.

Maths - The children will be consolidating their learning in all areas.

Topic- The children will continue to design their own motion film using the iPad.

Year 4 Challenge

The last challenge's answer was a candle.

What can you break, even if you never pick it up or touch it?

Homework- Due Thursday 14th March

This week's homework is a Maths and topic. In maths, you will be rounding decimals. In your topic homework, could you create a carnival outfit?

Do not forget TTRockstars

Termly Spellings

In class each term, we have been focusing on some key spellings. These spellings come from the National Curriculum Statutory word-lists for years 3 and 4. Please revise these spellings with your child at home e.g. in the car, when cooking dinner etc... and practice putting these words into sentences.

bicycle
disappear
grammar

occasion
popular

reign
strange

thought
pressure

Each week, we will provide you and your child an optional activity to complete at home to help your child memorise their spellings. You can practice by creating a rap - your challenge is to try and get every word in the rap!

Additional Notes or Information for the week

Please ensure when the children return everything is labelled and water is in their bottles.

What will the children be learning in Year 4 next week?

English-The children will be writing their own version of the story- 'Along the Tapajos.'

Maths -We will be looking at comparing and ordering numbers with the same number of decimal places.

Topic- To develop an understanding of the ways in which good over evil is celebrated and identify an issue raised.

Rounding Decimals

4.2

2.3

1.8

3.9

Complete the table.

	Rounded to the Nearest Tenth	Rounded to the Nearest Whole Number
3.42	<input type="text"/>	<input type="text"/>
2.06	<input type="text"/>	<input type="text"/>
1.53	<input type="text"/>	<input type="text"/>
3.48	<input type="text"/>	<input type="text"/>
6.98	<input type="text"/>	<input type="text"/>

George rounds 4.04 to the nearest tenth and writes 4.1. George is incorrect. Explain why.

I am thinking of a number with 1 decimal place. Rounded to the nearest whole, my number is 5. Find all possibilities.

My decimal number has 2 decimal places. Rounded to the nearest tenth, it is 2.6 and to the nearest whole number, it is 3. Give 3 possible numbers.
