My Nose

Practise reading these question words
before you answer the questions.
What

I have a nose so I can smell.

I can smell different smells around the globe!

My nose helps me to smell good and bad things.

My nose cannot act alone.

My brain helps, too.

I might smell food cooking on the stove.
That tells me it is dinner time soon!

When I smell rose perfume,
it tells me that Gran is near.

If I smell smoke, this tells me there is a fire.
Then stay away and stay safe.

What is your nose for?

What helps your nose?

What can you smell right now?

What should you do if you can smell smoke?

Find and circle these words in the story
