Bags 2 School

Dear parents and carers,

For those who may not be familiar with Bag2School, it is the largest textile collection company that has been working with schools in the UK since 1999. Not only does this initiative raise funds for our school, but it also contributes to environmental sustainability by diverting unwanted textiles away from landfill. Additionally, it offers a valuable opportunity to educate our children about the importance of recycling and reuse.

Participating in the Bag2School collection is simple and impactful. You can contribute by sorting through your wardrobes and donating any unwanted textiles. This can include both adult and children's clothes, shoes (please tie them together), hats, belts, handbags, and even soft toys. Your contributions will make a significant difference towards our fundraising efforts for the school.

To find out more about the Bag2School initiative and to access further details, please visit their website at <http://uk.bag2school.com/>. I encourage you to spread the word and extend the invitation to grandparents, friends, and neighbours who may also wish to contribute.

A donation bag will be sent home with your child/ren this week. If you require additional bags, you can use bin bags or similar alternatives for your donations.
