

Our Learning

Week 2 commencing 09.09.2024

This week in Year 3:

English: In English, we have been looking at word classes, imperative verbs and prepositions in preparation for our new text focus on 'How To Wash A Woolly Mammoth'.

Maths: In Maths, we are focusing on place value knowledge by counting in hundreds, tens and ones.

Topic: In history, we started our topic 'Through the Ages' by investigating a timeline starting all the way back when the earth was formed!

Termly Spellings

In class each term, we have been focusing on some key spellings. These spellings come from the National Curriculum Statutory word-lists for years 3 and 4. Please revise these spellings with your child at home e.g. in the car, when cooking dinner etc... and practice putting these words into sentences.

Homework

This week's homework is a maths activity focusing on place value.

It is due in on **Thursday 19th September.**

Homework is printed and given to the children, and is also available on the school website.

Additional Notes or Information for the week

- We hope you managed to attend our year 3 'meet the teacher' session, however if you were unable to attend, the slides will be sent out and also available on the school website.
- Your child should now have all received a reading wallet containing a reading record and school book. Please ensure this wallet comes to school everyday and try your utmost best to make time for your child to read daily where possible.
- A reminder that now the children are in Year 3 (KS2) they are no longer permitted a funded snack for breaktime. Snacks must be brought in from home and can either be a piece of fruit or vegetable.
- If you have any questions or queries please do not hesitate to contact us via the upper school email address.

upperschool@cambridgeschool.hants.sch.uk

English: Next week in English, we will be continuing to read 'How To Wash A Woolly Mammoth', and learning how to put together a set of instructions using imperative verbs and prepositions.

Maths: Next week in maths we will be looking at number patterns and counting in 4s and 8s.

Topic: Next week in history we will be creating a comic strip which shows a normal day in the life of someone living in the Stone Age.
