

Our Learning

Week 3

This week in Year 1

Topic: This week some caterpillars arrived in our class and we hope to help them grow into beautiful butterflies to release in the coming weeks

Maths: We have been using ten frames to represent objects whilst counting to ten and discussing greater and fewer

Home Learning

Next week we will be building bug hotels! Please can each parent provide their child with a clear plastic bottle. If you wish to further donate, we are also looking for pinecones, sticks, leaves and more to build brilliant bug hotels. Thank you!

Phonics: daily 5 minutes

Focus sounds ee, igh, oa.

Your child should:

1. Read the focus sounds ee, igh, oa
2. Add sound buttons under the sounds. e.g. s igh
3. Blend the sounds from left to right to read the words.

see	night	goat	boat
teeg 	ighp 	hoat 	roag 

Challenge: Can you write some sentences with these real words in them? There are lines on the back for this.

Spelling: daily 5 minutes

Please practise spelling the tricky words: **was, you, they**

Remember to use precursive handwriting. *Was, you, they*

Challenge: Can you write some sentences with these words in them? There are lines on the back for this.

Maths: daily 5 minutes (in addition to Numbots).

In maths, we are looking at one more one less. Can you complete these problems?
