The Cambridge Primary School

Accessibility Policy

Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities

The Cambridge Primary School aims to treat all its pupils and their families fairly and with respect. This includes supporting the needs of families of young carers, by making sure the school is accessible and welcoming to parents/carers with disabilities and/or illness and removing any barriers to communication.

At The Cambridge Primary School, we encourage each child's sense of individual worth – developing the child's capacity to live as an independent, self-motivated person and realise their potential. As a school, we aim to ensure that:

- All pupils have access to the curriculum
- Teaching, learning and curriculum promotes equality, community, cohesion and celebrates diversity
- Discrimination, harassment or victimisation are eliminated to ensure no one is unfairly disadvantaged due to protected characteristics

At The Cambridge Primary School, we have a commitment to:

- Protecting the protected characteristics of staff and pupils
- Not treat disabled pupils less favourably
- Take reasonable steps to avoid disadvantage
- Work in partnership with families and external agencies
- Ensure a broad and balanced curriculum for all pupils
- Maintain high expectations for all learners

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Cambridge Primary School

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day-to-day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

The Cambridge Primary School is required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This may include, but is not limited to;

- Providing auxiliary aids (e.g., coloured overlays, writing slopes, specialist chairs)
- Adjusting timetables for medical appointments
- Modifying PE equipment or activities
- Providing rest breaks or movement breaks

This policy complies with our funding agreement and articles of association.

Monitoring arrangements

This document will be reviewed every 3 years, but may be reviewed and updated more frequently if necessary.

The Head Teacher and Senior Leadership Team will review progress against the action plan termly and update the Local Advisory Committee.

It will be reviewed by the Head Teacher and the Senior Leadership Team. It will be approved by the Local Advisory Committee.

Links with other policies

This accessibility plan is linked to the following policies and documents:

- Risk assessment policy
- Health and safety policy
- Equality information and objectives
- Special educational needs (SEN) information report
- SEND policy
- Supporting pupils with medical conditions policy
