We'd love to hear from you!

CAMBRIDGE REBOOTED

**Drop used trainers or school shoes
off at the office**

Cambridge Primary School – Trainer & School shoe Bank

CAMBRIDGE PRIMARY SCHOOL IS DELIGHTED TO SHARE THE CONTINUED SUCCESS OF OUR TRAINER AND BOOTS BANK, WHICH HAS NOW BEEN OPEN FOR A NUMBER OF MONTHS. SINCE LAUNCHING, OVER 150 PAIRS OF TRAINERS AND BOOTS HAVE BEEN DONATED AND EXCHANGED, HELPING TO SUPPORT FAMILIES ACROSS OUR SCHOOL COMMUNITY.

Due to its success, we are now pleased to extend the scheme to include school shoes as well.

Children often outgrow footwear long before it is worn out, so this initiative provides a simple and sustainable way for families to donate good-quality items that are no longer needed, so that other pupils can benefit from them.

This initiative helps to:

- Reduce waste – by giving usable footwear a second life
- Support families – by helping to ease the cost of everyday school and sports footwear
- Encourage participation – by ensuring pupils have access to suitable footwear for school and physical activity

If your child has outgrown trainers, boots or school shoes that are still in good condition, we would be very grateful for any donations. Equally, if your child needs any of these items, please do get in touch – we are always happy to help.

**Community School Nurse
@ The Cambridge Primary School**

Available on

Tuesday 14th July 9-1pm

Open to everyone

Toileting concerns

- **Healthy eating habits**
 - **Oral hygiene**
- **Emotional well-being**

Guide on Managing Children's Digital Lives

Just a couple of articles from the Safeguarding Newsletter to share again.

Guide on Managing Children's Digital Lives

Parenting today can feel overwhelming – especially when childhood looks so different from what we grew up with. There's no manual and it can be hard to keep up with the fast-changing digital world your child moves through every day. The guide aims to make those conversations easier and help your child with confidence.

'What I wish my parents or carers knew...': A guide for parents and carers on managing children's digital lives | Children's Commissioner for England

Keeping Children Safe Around Water This Summer

As the weather warms up, many of us will be spending more time around water – whether that's paddling pools at home, trips to the park, days out at the beach, or family holidays.

Did you know?

Almost half of all drownings happen during the summer months

Drowning is one of the leading causes of accidental death in children in the UK

Most incidents are preventable

We have seen tragic accidents in the news recently, including the heart breaking incident at Hawley Lake. We want to help keep all our children safe this summer.

Different ages, different risks:

Babies and young children are most at risk at home (paddling pools, baths, ponds)

Older children and teenagers are more likely to face dangers in open water such as rivers, lakes and the sea

How you can keep your child safe:

At home:

Never leave young children alone near water – even for a few seconds

Empty paddling pools after every use and store them upside down

Supervise bath time closely

Keep garden ponds securely covered or fenced

At open water (rivers, lakes, reservoirs, the sea):

Talk to your child about the hidden dangers – cold water shock, strong currents, underwater hazards

Never let children swim in unsupervised areas

Stay together and keep children in sight at all times

If visiting the beach, swim between the red and yellow flags where lifeguards are present

Teach children to never jump or dive into water where they can't see the bottom

Useful resources:

[The Hampshire Safeguarding Children Partnership \(HSCP\) Water Safety Toolkit](#)

[Royal Life Saving Society UK \(RLSS UK\) – water safety advice and resources](#)

Talk to your child:

Have a conversation with your child about staying safe around water. Even confident swimmers can get into difficulty. In school, we have been talking to the children this week in assembly about keeping safe in the water. We spoke about Float to Live - a simple lifesaving technique developed by the RNLI (Royal National Lifeboat Institution) that can help if someone gets into difficulty in the water

Five steps to know how to float

- 1 ▶  Tilt your head back submerging your ears.
- 2 ▶  Relax and control your breathing.
- 3 ▶  Move your hands and legs to help you stay afloat.
- 4 ▶  Your legs may sink – that's OK. Everyone floats differently.
- 5 ▶  Practise floating at a supervised location like a swimming pool.

WATER SAFETY

Stay safe. Have fun. Enjoy the water. 

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.
MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

 EVERYDAY RISKS AT HOME Including bath time safety and garden hazards.	 STAYING SAFE OUTDOORS Such as the beach, around rivers and in open water.	 PRACTICAL SAFETY ADVICE Including the Water Safety Code and how to "Float to Live".	 AGE-SPECIFIC GUIDANCE For babies, young children, older children and teenagers.	 WHAT TO DO IN AN EMERGENCY Including simple first aid steps and where to find further support.
---	---	---	--	--

 Small actions, big difference 

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

 Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
www.hampshirescp.org.uk/parents-and-carers/water-safety/

Enjoy the water
Stay safe
Look out for each other

E Scooters

We have noticed children riding e scooters to school. and wanted to share this guidance from The Hampshire and Isle of Wight Constabulary enforces the following key points regarding children and e scooter guidance:

- **Strict Ban on Public Roads:** Privately owned e-scooters are legally classified as motor vehicles. Because it is impossible to insure them for public use, riding them in any public space is an offence.
- **Private Land Only:** Children may only ride privately owned e-scooters on private land with the landowner's permission.
- **Parental Liability:** Police warn parents that if an underage child is caught riding an e-scooter in public, the parents are legally responsible and will receive points on their driving licence and a fine.
- **Official Rental Schemes:** The only legal way to ride an e-scooter in public in designated trial areas (such as the Voi rental scheme in Portsmouth and Southampton) is to be of legal age (usually 16+ with a provisional or full driving licence) and use the official app-based rental vehicle.

For further details, check the official [Hampshire and Isle of Wight Constabulary Advice on e-scooter usage](#) page.
